Spartan Accelerated Graduate Education (SAGE) Program Roadmap[1]

Combined Program: Nutritional Science **with Applied Nutrition and Food Sciences**

Total Units to Degree: 144 150 minimum units[2]

Academic Year: 2025-2026

BA Requirements – Blue	Graduate Courses taken @ UGRD level - Green	Masters only Requirements – Orange

Fall Semester Year 1		**Spring Semester Year 1**	
Course	**Units**	**Course**	**Units**
Chem 1A General Chem (5A/5C)	5	NuFS 8 Nutr. For Hlth Profession	3
Eng 1A First Year Writing (1A)	3	Chem 30B Intro Chem	3
Oral Comm (1C)	3	Psych 1 Intro to Psych (4)	3
NuFS 21 Culinary Principles &Practice	3	NuFS 40 Debunk Nutr Misinf (1B)	3
NuFS 31 Profession in NuFS/Pkg	1	Physical Education	1
		Stat 95 or HS 67 Statistic (Area 2)	3
Total Units	**15**	**Total Units**	**16**
Fall Semester Year 2 [Take the WST*]		**Spring Semester Year 2**	
Course	**Units**	**Course**	**Units**
Concentration Course	3	NuFS 20 Sanitation & Envir Issues	2
General Education (A6)	3	Biol 66 Physiology (5B/5C)	5
General Education (3A or 3B)	3	Concentration Course	3
General Education (4, US1-3)	3	General Education (4, US123)	3
General Education (3B)	3	Physical Education	1
Total Units	**15**	**Total Units**	**14**
Fall Semester Year 3		**Spring Semester Year 3** Four-year or transfer student applies to BS + MS program.	
Course	**Units**	**Course**	**Units**
NuFS 101A Food Science	4	NuFS 106B Research Methodology	3
NuFS 106A Human Nutr Life Span	3	NuFS 134 Comp Alt Health (GE UD 4)	3
Pkg 107 Principles of Pkg	3	NuFS 111 Foodserv Prod Mgmt	3
NUFS 100W Writing Workshop (WID)	3	Concentration Courses	6
NuFS 103 Food Processing & Pkg I	2	NUFS 151 Food Microbiology	2
Total Units	**15**	**Total Units**	**17**
Fall Semester Year 4 Student admitted to BS + MS program.		**Spring Semester Year 4**	
Course	**Units**	**Course**	**Units**
NuFS 144 Food & Culture (GE UD 3) or	3	Concentration Courses	9
NuFS 139 Hunger & Env Nutr[2] (GE UD 2/5)		NuFS 144 Food & Culture (GE UD 3) or	3
Concentration Courses	11	NuFS 139 Hunger & Env Nutr[2] (GE UD 2/5)	
NuFS 201 Colloquium in NUFS&PKG	3	NuFS 295 Research Methodology	3
		NuFS 192 Field Experience	2
Total Units	**17**	**Total Units**	**17**
Fall Semester Year 5 BS degree posted.		**Spring Semester Year 5**	
Course	**Units**	**Course**	**Units**
NuFS 217 Issues in Nutr, FS & Pkg	3	NuFS 257 Biostatistics	3
MS Electives	6	MS Electives	3
		NuFS 298 MS Project	3
Total Units	**9**	**Total Units**	**9**

[1] Reference CSU Coded Memorandum AA-2012-01, University Policy F19-1, DRAFT SAGE Scholars Application (to be developed as an online application). The roadmap must include at least one semester in which students enroll in a combination of undergraduate and graduate courses.

[2] The CSU is considering a proposal to allow 9-12 units of double counting between the baccalaureate and master's degree. Expecting an approved policy to allow for this by March 2021. Please provide 150-unit minimum roadmap, indicating which courses you might consider for double counting.
