Aerospace Engineering Room 164   10:00am Student Panel Room 164   11:00am Program Overview	Aerodynamics Lab   Room 107 Space Systems Lab   Room 236
Aviation Room 133   <b>Industrial Studies Bldg.</b>	Flight Simulation Lab   Room 133   <b>Industrial Studies Bldg.</b>
Biomedical Engineering Room 331   10:00am Program Overview Room 331   11:00am Student Panel	Biomedical Student Club   Room 182   *11am-1pm Biomedical Research Lab   Room 221   *12pm-1pm
Chemical Engineering Room 340   10:00am Program Overview	Biotechnology & Renewable Energy Lab   Room 205
Civil & Environmental Engineering Room 150	Hydraulics Lab   Room 150
Computer & Software Engineering Room 189   10:00am Program Overview Room 189   11:00am Student Panel	Software and Computer Engineering Student Club   Room 294 Student Projects Lab   Room 487
Electrical Engineering Room 376	Circuit Lab   Room 249 Student Projects Lab   Room 376
Engineering Technology Room 103	3D and CNC Machines   Room 101   <b>Engineering Building</b> Computer Network (CNSM)   Room 490   <b>Engineering Building</b>
Industrial & Systems Engineering Room 194   10:00am Program Overview Room 486   11:00am Program Overview	Manufacturing Information Systems   Room 194
Interdisciplinary Engineering Room 393	Materials Processing & Microscopy Lab   Room 231
Materials Engineering Room 339   10:00am Program Overview	Machine Shop   Room 123 Mechatronics Lab   Room 125
Mechanical Engineering Room 341

**Student Clubs and Organizations**  
The College of Engineering hosts over **70** student clubs and organizations from student chapters of professional associations to groups with the mission of building a project for competition. Members of these organizations will be stationed throughout the building.
