* Classroom Protocols

CLASSROOM PROTOCOL

While engaging with peers and assignments, students are to be respectful of the unique characteristics and qualities that make each of us who we are. In class, discussion is welcome and encouraged, but comments

found to be intentionally offensive, disrespectful, or combative are not allowed. Likewise, in-class discussions, texts/readings/viewings, and projects/activities may include materials that can be contentious and even potentially upsetting to you or others. We may encounter materials that differ from and perhaps challenge our ideas, beliefs, and understanding of reality. Students are encouraged to discuss issues about such materials with me. If for any reason such material causes you alarm, I encourage you to speak with me directly at your earliest convenience.

Excused absences: If you miss a day of class, then you miss it. If assignments are due the day you missed, you need to have any possible extensions arranged and approved with me beforehand. In-class writings cannot be made-up or turned in at a later date, as I partially track participation using those writings. Anyone seeking an excused absence must provide to me documentation from a legal, medical, or academic source (this includes athletics, clubs, etc) stating when and why you were absent.

Restroom breaks: If you need to use the restroom at any point during class, there is no need to ask, wait, or otherwise make a show of it. Simply leave and go do your business.

Cell phone use: If you need to use your cell phone to google something, text, etc, by all means. We all understand this is a classroom, however, and we're not here to engage with your cell phone activity. Be courteous to your peers and to me. If you need to take a call or something else that would interrupt class, kindly step outside.

Food and drink: I don't mind if you need to have a snack in class because reasons. Drinks are always fine, too (no alcohol, of course). What I do mind is bringing/ordering an entire meal to class. Show up late if you need to finish eating or bring enough food for everyone (I have zero allergies, FYI).

Additionally, any student that needs accommodations or assistive technology due to a disability should work with the [Accessible Education Center \(AEC\)](https://www.sjsu.edu/aec/) (<https://www.sjsu.edu/aec/>), and the instructor. If you have special needs or accommodations requests, see me as soon as possible. Failure to do so may result in interruption or slowing of accommodations process.

SAN JOSE STATE UNIVERSITY POLICY ON ACADEMIC INTEGRITY

The university emphasizes responsible citizenship and an awareness of ethical choices inherent in human development. Academic honesty and fairness foster ethical standards for all those who rely on the integrity of the university, its courses, and its degrees. University degrees are compromised and the public is defrauded if faculty members or students knowingly or unwittingly allow dishonest acts to be rewarded academically. This policy sets the standards for such integrity and shall be used to inform students, faculty, and staff of the university's Academic Integrity Policy.

STUDENT ROLE

The San José State University Academic Integrity Policy requires that each student:

1. know the rules that preserve academic integrity and abide by them at all times, including learning and abiding by rules associated with specific classes, exams, and course assignments;
2. know the consequences of violating the Academic Integrity Policy;

3. know the appeal rights and procedures to be followed in the event of an appeal;
4. foster academic integrity among peers.

You can access the SJSU's comprehensive academic integrity policy here:

<https://www.sjsu.edu/studentconduct/docs/SJSU-Academic-Integrity-Policy-F15-7.pdf>
(<https://www.sjsu.edu/studentconduct/docs/SJSU-Academic-Integrity-Policy-F15-7.pdf>).

Generative Artificial Intelligence (Chat GPT)

What you should know about AI Platforms-

Large language models, like Chat GPT, perform intensive mining, modeling, and memorization of vast stores of language data “scraped” from the internet. They have been trained to learn language patterns and to predict the most probable next word or sequence of words based on the context they receive. In other words, it imitates or mimics what humans have put on the internet (think about that for a minute). AI writing platforms have become savvy enough to write essays, create apps, help with excel, and nearly any conceivable writing situation that relies on linguistic patterns. In this class, we'll practice learning and thinking with them.

ChatGPT, like all generative AI systems, is a tool. Tools are used by humans to accomplish specific tasks. Thinking of it that way helps unlock its potential, but also avoid its pitfalls.

CSU COVID-19 Vaccine Requirement and Protocol

All students must submit their COVID-19 vaccination requirements and comply with the Presidential [Directive 2021-02 \[pdf\]](#)

(<https://www.sjsu.edu/president/docs/PD%20081821%20Student%20COVID%2019%20Policy%20REVISED%208%2016%2022.pdf>) and [CSU COVID-19 Policy \(https://calstate.policystat.com/policy/11030468/latest/?mkt_tok=NjYzLVVLUS05OTgAAAF_qkIzrMX8plxXAqtcwpY5ITMSBKropI0_7T_gOvBzrchVR00_JHe-8CQyIQypJKMzenwjL7ca-X5aYcTPKu_pDSWxE5wvJWQgEAav5Ptv\)](https://calstate.policystat.com/policy/11030468/latest/?mkt_tok=NjYzLVVLUS05OTgAAAF_qkIzrMX8plxXAqtcwpY5ITMSBKropI0_7T_gOvBzrchVR00_JHe-8CQyIQypJKMzenwjL7ca-X5aYcTPKu_pDSWxE5wvJWQgEAav5Ptv). This requirement includes completing the COVID- 19 vaccine primary series and booster shot, when eligible.

● SCCPHD has a link for potential vaccine access: <https://vax.sccgov.org/> (https://vax.sccgov.org/?mkt_tok=NjYzLVVLUS05OTgAAAGGRzdb6pInIRejztpGag7teUw9PZUO8xoh1zyt_JK4UHi2r_EccgwwHSPmAyGC3zLKHWPr6a-TNnMc0V2ultSD7IKfp-idTEaTGY2w7dwwCA). This site will help you determine whether you are currently eligible for a vaccine.

Please note: While masks are not required inside our classroom at this time, if anyone so chooses to wear a mask while in class their choice will be honored and respected. If guidelines change and masks are required in class again, there will be a zero-tolerance policy for anyone who refuses to wear a mask.

Should you test positive for COVID at any point during the semester, please contact me ASAP, so that we can make any necessary accommodations. The CDC recommends you remain home for a minimum of 5 days until you test negative- this recommendation needs to be taken seriously.

Program Information

Welcome to this General Education course.

SJSU's General Education Program establishes a strong foundation of versatile skills, fosters curiosity about the world, promotes ethical judgment, and prepares students to engage and contribute responsibly and cooperatively in a multicultural, information-rich society. General education classes integrate areas of study and encourage progressively more complex and creative analysis, expression, and problem solving.

The General Education Program has three goals:

Goal 1: To develop students' core competencies for academic, personal, creative, and professional pursuits.

Goal 2: To enact the university's commitment to diversity, inclusion, and justice by ensuring that students have the knowledge and skills to serve and contribute to the well-being of local and global communities and the environment.

Goal 3: To offer students integrated, multidisciplinary, and innovative study in which they pose challenging questions, address complex issues, and develop cooperative and creative responses.

More information about the General Education Program Learning Outcomes (PLOs) can be found on the [GE website \(https://sjsu.edu/general-education/ge-requirements/overview/learning-outcomes.php\)](https://sjsu.edu/general-education/ge-requirements/overview/learning-outcomes.php).

Course Goals

Course Format

This course meets on campus, in-person. I will use Canvas, the SJSU Learning Management System, to publish instructional materials, agendas, readings, activities, and assignments. In Canvas, you will submit your drafts, assignments, and reading responses with peer responses. Because of this, you will need regular access to the Internet and a computer, as well as your SJSU email account.

To produce and share your work, you will need software that allows you to save files as .doc or .docx, or .pdf. Canvas gives you access to Google docs for collaborations, as well as presentation software. Canvas includes video and audio recording abilities with Panopto. If you need help to access these technologies, please contact the Student Technology Service Desk.

As a student, you are entitled to free access to Microsoft Office, so visit [this link to the Microsoft Office \(https://ischool.sjsu.edu/post/microsoft-office\)](https://ischool.sjsu.edu/post/microsoft-office)365 website if that is something you need (you must use your SJSU email, which you can access by visiting [this link to the most popular one.SJSU applications \(https://one.sjsu.edu/\)](https://one.sjsu.edu/) and then by clicking on "My Email G Suite").

Course Management Page and MYSJSU Messaging

Course materials such as syllabus, handouts, notes, assignment instructions, etc. can be found on the Canvas course website. I will use Canvas messaging and announcements to update you, so it is your responsibility to check regularly for emails from me via Canvas. They will populate in your sjsu.edu email

account (which you will need to set-up access for), in your Canvas inbox, and in any other email you link in Canvas.

ENGL 1AF - Course Description

ENGL 1AF

Stretch I is the first semester of a year-long ENGL 1A that prepares students to join scholarly conversations across the university. Students develop reading skills, rhetorical sophistication, and writing styles that give form and coherence to complex ideas for various audiences, using various genres.

Section 01

In this course, we're going to examine how we engage and invest in our own tacky subcultures. By examining ourselves as audience, other audience members as community, entry points to the subculture, and more, our writing will require different styles, tonality, verbiage, and explore how context can morph when multimodal elements are part of the writing experience. Doing a deep dive into your chosen subcultures will begin to give you a better understanding of where audience meets purpose and context, when we start to track where subcultures have been and where they might be going. The goal of this course is to help you develop your voice, and also to articulate it effectively and persuasively by understanding the rhetorical situations and strategies you learn and observe from others.

Program Policies

First-Year Writing policies are listed at the following website: <https://www.sjsu.edu/english/frosh/program-policies.php> (<https://www.sjsu.edu/english/frosh/program-policies.php>)

Course Learning Outcomes (CLOs)

GELOs: Goals to meet by the end of second semester Stretch

GE Area A2: Written Communication

Written Communication I courses cultivate an understanding of the writing process and the goals, dynamics, and genres of written communication, with special attention to the nature of writing at the university. A grade of C- or better designates that a student has successfully oriented reading and writing practice in English to support college level research and learning and to share learning with C- or better is a CSU graduation requirement.

GE Area A2 Learning Outcomes

Upon successful completion of an Area A2 course, students should be able to:

1. demonstrate knowledge and understanding of the content, context, effectiveness, and forms of written communication;
2. perform essential steps in the writing process (prewriting, organizing, composing, revising, and editing);
3. articulate an awareness of and write according to the rhetorical features of texts, such as purpose, audience, context, and rhetorical appeals;

4. integrate their ideas and those of others by synthesizing, explaining, analyzing, developing, and criticizing ideas effectively in several genres; and
5. demonstrate college-level language use, clarity, and grammatical abilities in writing.

The Stretch Calendar

Stretch I and II span the fall and spring terms: the fall and spring course are both required to complete the A2 coursework. You will be enrolled in the same section in spring semester (time, day, instructor), so you should plan on reserving this time slot in your spring schedule.

☰ Course Requirements and Assignments

Course Requirements, Time Commitments, & Assignments

Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45-hours over the length of the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities, including but not limited to internships, labs, and clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus.

ENGL 1AF is a 3-unit course. That means we are signing up to do a minimum of 9-hours of study per week just for this class. 2½ hours will be class time. The remaining 7½ hours a week, you will work on your own or with your peers to prepare for class and complete reading and writing assignments. This class requires a minimum of 8,000 words, at least 4,000 of which must be in revised final draft form. I have designed the work using this math to guide us. I will refer to it often to help you manage this workload over the semester.

Personal Writing (+multimodal public forum): Your role as part of a culture - (GELO 2, 4, 5)

Choose an example of "tacky" sub/pop culture and write a 2-page essay. What makes it tacky to you, as well as to the general consensus? How has your chosen culture affected other areas of your life, especially in the time which you first encountered it? What about the culture still appeals to you right now?

Profile Writing (+interview; continued to Spring semester): Someone else's role as part of the culture (+multimodal presentation) - (GELO 2, 3, 4, 5)

Using your experience with your chosen "tacky" culture, examine who else exists in this culture within a 2-page essay. Do past or current members reflect the same style/look/ideals/etc. that you have within the culture? What were those members' entry points into the culture? To what level does their fondness for the culture still exist?

In-class writings: Selection of writings from prompts given in class - (GELO 1, 3)

Students will engage in writing activities in response to prompts given in class (no make-ups).

You will also participate in peer review activities.

Launch Activities & Workshops - (GELO 2, 4)

Small group and entire class activities and workshops will provide focused critique, analysis of existing works, and opportunities to explore mediums, geared towards shaping students' proposed writing projects.

Reading Responses - (GELO 1, 5)

Students will reflect on and ask questions about that week's readings as they pertain to their own lived experiences.

Class participation - (GELO 1, 3)

Discussions, presentations and peer reviews, attendance, etc.

Extra Credit

At instructor's discretion.

✓ Grading Information

Determination of Grades

Grading, Late Policy, and Missed Work

In the fall semester (ENGL 1AF), you will receive either a CR (credit) or a NC (no credit). To receive credit in the fall semester, you must honor your instructor's grading policy and demonstrate significant, measurable progress throughout the semester.

In the spring semester (ENGL 1AS), you will receive a letter grade for the course. You must earn a C- or better to earn graduation credit for GE Area A2.

This is a course following the standard A-F scale, utilizing minimal grading. You must submit all work on time. Any unexcused late work will be graded down a full letter grade, after the announced deadline has passed. If there is a reason you cannot make a deadline (because life happens) contact me BEFORE THE DEADLINE, so that we may mitigate the situation with a plan of action.

Misuse of these policies by any one student will result in having this option removed for all students. Extra credit may be offered at various points throughout the semester at my discretion. **All proposed regular assignment deadlines will be Tuesdays @ 1 minute before the start of class (unless otherwise indicated) with work uploaded to Canvas.** Deadline dates and times are subject to change, but I will notify the class of any proposed changes in advance. While some assignments can be made-up for more points, others cannot as they are time-sensitive items and/or reflect your attendance/participation. Without prior notice, if you can't make it to class you forfeit those points for that day, so be wise about your time and responsibilities for the semester. Additionally, if you are more than 10-minutes late to class, you forfeit that day's In-class Writing points.

Standard grading scale:

97-100% = A+

- 94-96% = A
- 90-93% = A-
- 87-89% = B+

- 67-69% = D+
- 64-66% = D
- 60-63% = D-
- 59% or less = F

AI grading scale (unless otherwise noted):

- 0-25% AI score = possible 100-80% grade
- 26-50% AI score = possible 79-70% grade
- 51-75% AI score = possible 69-60% grade
