You may not use coursework from the Fall 2020 term to complete admission requirements

Step 5

Determine First Year Writing and Math Course Placement

DEGREE PROGRAM INFORMATION

catalog.sjsu.edu

COLLEGE OF SCIENCE, ENGINEERING AND BUSINESS EXAM INFORMATION

sjsu.edu/math/calculus

DEPARTMENT EXAMS (IF REQUIRED)

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at catalog.sjsu.edu

To facilitate appropriate first-year course placement, the CSU evaluates your academic preparation in two areas: written communication and math/quantitative reasoning.

The evaluation takes into account several factors, including overall grade point average, mathematics grade point average, completed terms of secondary coursework, grades in certain senior year classes, reflection on college writing, and scores on standardized tests such as the SAT, ACT, CAASPP/EAP, CLEP, Advanced Placement, Advanced Level, Advanced Subsidiary, and International Baccalaureate examinations.

First Year Writing Course Placement

Freshmen entering SJSU will complete an online Reflection on College Writing exercise to explore writing at SJSU and to choose the course they need. The online exercise is offered through Canvas (SJSU's online course tool). Be alert for emails and MySJSU messages about the Reflection on College Writing. To ensure that you will be able to register for your first-year writing course during the Sparta Camp (Frosh) orientation, complete your Reflection on College Writing at least one week prior to your orientation session.

First Year Math Course Placement

Your math placement is dependent upon your major and your enrollment category. You can confirm your major by reviewing your admission letter. To determine your math course placement and whether you may need to participate in preliminary coursework this summer, please complete both of the following:

- Determine if your major requires Calculus by viewing the Majors Requiring Calculus (STEM) list at sjsu.edu/supportedinstruction/course-options/math-quantitative-reasoning. If your major requires Calculus, please review the Precalculus Proficiency Assessment section below.
- Identify your math enrollment category by following the instructions on sjsu.edu/supportedinstruction/course-options/math-quantitative-reasoning

Precalculus Proficiency Assessment

If your major requires calculus you will be required to take the Precalculus Proficiency Assessment (PPA), formerly known as the Calculus Placement Exam (CPE), to register for Calculus unless:

You have earned a three or better on the AP Calculus Exam. (Request to have your official score report sent to SJSU as soon as it is available)

OR

You have earned a C- or better in a transferable Pre-Calculus level course at a community college. (Send us your official transcript reflecting this work as soon as possible.)

To register for the PPA, please visit testing.sjsu.edu/Calcpe

For details, exemptions, and other criteria visit sjsu.edu/math/calculus

If you took the Calculus AP exam in high school, and have not yet sent us your scores, please contact the Testing Office at testing-office@sjsu.edu to determine your next steps.

If you feel that your assigned mathematics enrollment category is not accurate, you may submit an appeal.

For your appeal to have merit, it must bring to light new or missing information that was not considered in the original determination. Transfer coursework submitted after the transcript deadline or test scores sent after the official test score deadline are the basis for an appeal. For more information, please refer to sjsu.edu/supportedinstruction/appeals-process

PAYMENT PLAN INFORMATION AND PAYMENT DUE DATES sjsu.edu/bursar

Fees are due after registering for your classes. To see your payment due date, check your MySJSU account under the "Finances" section. You have the option to pay in full or sign up for a payment plan. For details, visit sjsu.edu/bursar

After you register, sign in to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. Costs of Attendance

Amounts are based on full-time attendance (12 units per semester or more) for a nine-month academic year.

Costs	With Parents	Campus Housing	Off Campus
Room and Board	\$9,320	17,360	\$16,699
Transportation	\$1,376	\$1,094	\$1,160
Miscellaneous/Personal	\$2,387	\$2,058	\$2,733

**Tuition Fees (6.1 or more units)	\$7,852	\$7,852	\$7,852
Total (CA Residents)	\$21,970	\$29,399	\$29,479

* Campus Housing costs are average of CV Buildings + 21 swipes/week meal plan

** All fees and charges are subject to change without notice. Loan fees could average from \$80 - \$190 depending on one's career. Non-Resident Fees are charged an additional \$396 per unit.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

California Residency for Tuition Purposes

The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met.

Visit the California State University site for additional information regarding residency www2.calstate.edu/apply/california-residency-for-tuition-purposes/Pages/default.aspx

In-state Tuition for Certain Non-residents of California (AB 540 provisions)

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU. You will need to show proof of attendance and graduation. For more information visit sjsu.edu/registrar/registration/residency/ab540.php

Field Trip Fees

A few courses have additional field trip fees ranging from \$11 to \$52.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to MySJSU, scroll to Finances and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit sjsu.edu/bursar/services

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Financial Aid

FAFSA

To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work study and loans, by using the Free Application for Federal Student Aid (FAFSA) at fafsa.gov. For the FAFSA, you will need SJSU's six-digit code, which is 001155. Once you apply, your SJSU's Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process. Learn more at sjsu.edu/faso

California Dream Act – State Aid for Undocumented Students

AB540 students (undocumented immigrant status) may qualify for state grant programs that make up the California Dream Act of 2011. The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131). For the California Dream Application, you will need SJSU's six-digit code, which is 001155. Learn more at sjsu.edu/faso/Applying/californiadreamact

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90-5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities

The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/Captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.
