IMPORTANT INFORMATION ABOUT COMPLETING THE STEPS TO ENROLLMENT

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.

STAY COMMITTED TO THE PROCESS

There are consequences if you miss deadlines. Deadlines are very important and are in place to help you through the enrollment process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign into your MySJSU student account (one.sjsu.edu) every few days and thoroughly read any messages, "To Do List" items, or posted deadlines and take the requested action as soon as possible.

Congratulations on Your Admission!

We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Spring 2022, which are outlined in this guide.

**WRITING SKILLS TEST (WST)
INFORMATION**
testing.sjsu.edu/wst

You will register for classes in your MySJSU student account once you have an enrollment appointment. SJSU anticipates posting enrollment appointments in mid-December.

Registration Appointments

To receive a registration appointment, you must submit official transcripts by the date posted on your MySJSU "To Do List". Be sure to send official transcripts by the deadline posted. Send official transcripts to verify your eligibility to enroll as early as possible to minimize delays in the assignment of your registration appointment.

Spartan Experience for Transfers Orientation (Mandatory)

To maintain your eligibility to enroll, you must attend your scheduled Spartan Experience for Transfers orientation (mandatory).

Complete the Writing Skills Test-Directed Self Placement (WST-DSP)

The online WST-DSP is an exercise (not a test) that helps students place themselves in the appropriate writing course at SJSU.

Registering for Courses

Sign in to one.sjsu.edu > click "MySJSU" > navigate to "Student Center" > click "Enroll" under "Academics" section > choose the semester you want to enroll > click "Continue".

You can now select the class to add. The SJSU Schedule of Classes has the specific class number codes and section numbers you'll need to register.

Registration Holds

If you have a registration hold, log into MySJSU, go to self-service, look for the "hold" box on the right column, click "details" to find out how to resolve your hold and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)

Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until the first day of instruction. Late registrants are assessed a \$25 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

**ACADEMIC ADVISING
AND RETENTION SERVICES
(AARS)**
sjsu.edu/aars

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory Spartan Experience for Transfers orientation.
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at catalog.sjsu.edu

Once I've registered, can I change my schedule?

If work or family obligations require you to change your schedule, you may make changes to your class schedule before the last day to drop classes.

Important note: before dropping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections via MySJSU. Or, place yourself on the class waitlist. It is not guaranteed that you will be able to enroll into waitlisted courses.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?

Yes. The advisors will advise you on general university expectations and graduation requirements, including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner.

What if I don't register for the Spring 2022 semester?

Your admission is only good for the Spring 2022 semester. If you do not register for classes for Spring 2022, you will lose your admission and will have to reapply for the next available term.

Registration Timeline

October 2021	Tuesday, October 26	Advance Registration Begins

Costs of Attendance

Amounts are based on full-time attendance (12 units per semester or more) for a nine-month academic year.

Costs	With Parents	Campus Housing*	Off Campus

**Tuition Fees (6.1 or more units)	\$7,852	\$7,852	\$7,852
Total (CA Residents)	\$21,970	\$29,399	\$29,479

* Campus Housing costs are average of CV Buildings + 21 swipes/week meal plan

** All fees and charges are subject to change without notice. Loan fees could average from \$80 - \$190 depending on one's career. Non-Resident Fees are charged an additional \$396 per unit.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

California Residency for Tuition Purposes

The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met.

Visit the California State University site for additional information regarding residency www2.calstate.edu/apply/california-residency-for-tuition-purposes/Pages/default.aspx In-state Tuition for Certain Non-residents of California (AB 540 provisions)

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU. You will need to show proof of attendance and graduation. For more information visit sjsu.edu/registrar/registration/residency/ab540.php

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher.php

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Financial Aid

FAFSA

To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work study and loans, by using the Free Application for Federal Student Aid (FAFSA) at fafsa.gov. For the FAFSA, you will need SJSU's six-digit code, which is 001155. Once you apply, your SJSU's Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process. Learn more at sjsu.edu/faso

California Dream Act – State Aid for Undocumented Students

AB540 students (undocumented immigrant status) may qualify for state grant programs that make up the California Dream Act of 2011. The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131). For the California Dream Application, you will need SJSU's six-digit code, which is 001155. Learn more at sjsu.edu/faso/Applying/californiadreamact
