## University Policies

*More guidelines on grading information and class attendance can be found from the following university policies:*

- [University Syllabus Policy S16-9](#)
- [University Attendance and Participation Policy F15-12](#)
- [University Grading System Policy F18-5](#)

[University Policy S16-9](#) describes the expected time commitment for SJSU classes: "Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities, including but not limited to

internships, labs, and clinical practice. Other course structures will have equivalent workload expectations as described in the syllabus.”

Per [University Policy S16-9](#), relevant university policy concerning all courses, such as student responsibilities, academic integrity, accommodations, dropping and adding, consent for recording of class, etc. and available student services (e.g. learning assistance, counseling, and other resources) are listed on the [SJSU’s Syllabus Information web page](#). Make sure to visit this page to review and be aware of these university policies and resources.

## **Diversity Statement**

Respect for Diversity: It is our intent that students from all diverse backgrounds and perspectives be well served by this course, that students’ learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength, and benefit. It is our intent to present materials and activities that are respectful of diversity: gender, sexuality, disability, age, socioeconomic status, ethnicity, race, and culture. Your suggestions are encouraged and appreciated.

## **Accessibility Statement**

It is our goal to create a learning experience that is as accessible as possible. If you anticipate any issues related to the format, materials, or requirements of this course, please meet with us outside of class so we can explore potential options. Students with disabilities may also wish to work with the [SJSU’s Accessible Education Center](#) to discuss a range of options to removing barriers in this course, including official accommodations. If you have already been approved for accommodations through the Office of Accessible Education, please meet with us so we can develop an implementation plan together.
