SJSU SPARTAN MARCHING BAND

THE BEST BAND IN THE BAY!

Under the direction of Dr. Craig McKenzie, the band takes the field in Spartan Stadium each fall semester, creating an electrifying atmosphere for the thousands of fans engaged by our thrilling performances. Our unique combination of brass, woodwind and percussion creates a driving sound that is one of a kind. With the addition of the dazzling Color Guard, and the fabulous Spectrum Dancers, the band also has a visual style uniquely its own.

The members of the Spartan Marching Band are students from every field of study on campus, from first year undergraduate through graduate students, including several "**open university**" members that are not full time students. Full time students of the band do have access to **priority registration** and multiple **scholarship opportunities!**

At each home game, the Spartan Marching Band performs a completely new halftime show, plus a pre-game show and a post-game concert.

WHEN AND WHERE DOES THE BAND REHEARSE?

Throughout the Fall semester, our regular rehearsal time is **3:30pm-6pm, Mon, Wed, and Fri.** Most days we rehearse at CEFCU Stadium at the San Jose State SOUTH Campus. Occasionally, inclement weather forces us back to the music building on Main Campus.

IS THERE AN AUDITION FOR BAND?

Wind instruments are **open to all participants** without audition. Battery Percussion, Color Guard, and Spectrum all have auditions during the Spring and Summer leading up to the Fall season.

WHAT IS PRIORITY REGISTRATION?

If you commit to being in the band early enough, you can get "Priority Registration" status. This allows you to register for your classes early so you can get into those classes that fill-up quickly and structure your schedule around band rehearsal. No more waitlists!
