Fall Surveys by the SJSU Family Advisory Board

Dear Spartan Families

The Family Advisory Board (FAB) invites all SJSU parents, families and supporters to participate in our Fall Surveys.

Last Spring, many of you participated in FAB surveys and we thank you for it. The feedback that we received is being utilized by the University to aid in their decision making. Your input has been crucial to FAB's advocacy efforts for improving the student experience at SJSU.

We now invite you to share your family's experiences this semester, by participating in these two surveys.

[FAB Health & Safety Survey Fall 2020](#)

Each survey will take about 7 - 8 minutes to complete. You may respond to both surveys now or complete one today and return for the other, later next week.

Leave your email address on each survey form and double your chances to WIN ONE OF SEVERAL SJSU PRIZES (optional). Winners will be contacted after the surveys end on October 31.

We look forward to receiving your candid feedback to help us continue this important work.

Go Spartans!

Sincerely,  
SJSU Family Advisory Board &  
New Student and Family Programs
