Spartan Messenger

These updates about the Student Union, Inc. will go out every two months on Spartan Messenger. We will give you the latest on our services, news, and information about our auxiliary!

Did you know?

Did you know that Event Services with the Student Union rents out tables, chairs, umbrellas and bases for 7th Street/Paseo events? Contact them directly for more information, but remember – we use students for labor, so hours of service are based upon their schedules, but we are much cheaper than off-campus vendors.

Event Center Rental

The Provident Credit Union Event Center is open for rental use when not obligated for campus and athletic events. We have done a thorough analysis to provide pricing which reflects our actual costs of operating and we only charge those exact expenses for SJSU-sponsored rentals. We have a retail sheet for non-SJSU groups who wish to use our space!

Event Center Upgrades

Speaking of which, we are undertaking some quick aesthetic upgrades to the Event Center to refresh some interior issues and fix some leaks. In bigger news, there is a campus Advisory Group discussing a major remodel/expansion of the center to engage campus, expand space, and serve campus better for decades to come!

Did you know?

Did you know that the Student Union has a bowling center and billiards area for students, but also offers cheap staff/faculty rates? Great equipment and service make this a prime opportunity for some recreation! Lane 15 food options are also available for snacks and quick bites!

SRAC Memberships

Memberships to SRAC are available to faculty and staff which includes access to group fitness classes, the aquatic center, and open recreation activities. Visit spartanrecreation.com for more information about memberships.

Spartan Speaker Series

We are a sponsor for the Spartan Speaker Series with Golden State Valkyries head coach and WNBA Coach of the Year Natalie Nakase coming in on Monday, October 27th at 6pm in the SU Ballroom! Come and check it out!

About Student Union, Inc.

As an auxiliary and 501(c)(3) on campus, the Student Union, Inc. manages the SU, Event Center, and SRAC. As a student-fee funded area, we support students and SJSU through facilities, services, and campus programs.
