

Meeting #1: Introduction

Welcome and Introductory Activity

Introductions and all that.

Overview of The Workshop

What we'll be doing together for the next 8 weeks.

Overview of Generative AI

Definitions and key platforms.

Responsible AI Use

Citing AI-generated content and the SJSU AI Disclosure Tool. Plus language around AI use.

SJSU Policy and the AI Hub

There is no official SJSU AI policy.

The AI Writer Toolbox

Our touchstone resource for the next three workshops.

Homework

1. Choose a vague topic you're interested in exploring. Something about teaching your kinds of things in your kinds of courses in the age of AI. ("Teaching XXX in the age of AI.")
2. Explore the genre of the op/ed piece, using the Genre Analysis handout, the links provided in the Op/Ed Piece Assignment sheet, and AI.
3. Explore the links in today's slide deck.
